Conversion: Knowing Christ as Saviour

I only hear Bible readings in church, I only pray in church or when I am in need	I read the Bible and pray when I remember. I keep trying to make it a regular discipline. I am developing more of a personal relationship with God.	I often read the Bible and I am establishing daily prayer and forming a personal relationship with Christ. I trust God in some areas of life	Every day I read the Bible and pray and live by God's word. I have a personal relationship with Christ and I trust God in all things.	n/a
